

FIG. 1

20

The diagram illustrates a user interface (20) for a holiday-themed ordering system. It features a form (22) for user information with fields for Name, Street, City, State, and Zip+4. A 'Place Order' button (26) is located below the form. To the right, a large image (30) shows a card with a mountain and tree illustration. Below the card, there are two buttons: 'Open Card' (32) and 'Back of Card' (34). A row of icons (38a through 38g) represents different items: a mountain and tree (38a), two stick figures (38b), a tractor (38c), a gift box (38d), a single tree (38e), a tree with a stick figure (38f), and a person with a gift (38g). A quantity field (24) with the value '12' and a 'Qty.' label is positioned above the icons. At the bottom, a navigation bar (36) includes a back arrow (36a), a home icon (36c), and a forward arrow (36b).

The interface is divided into several sections:

- User Profile (22):** Located in the top left, it contains three input fields: "Name" with the text "John Doe", "Street" with "20 Verona Street", and "City" with "Rochester".
- Cart List (28):** A horizontal list of items at the bottom, each with an icon and a label:
 - 38a: Mountain landscape icon
 - 38b: Two stick figures icon
 - 38c: Tractor icon
 - 38d: Gift box icon
 - 38e: Christmas tree icon
 - 38f: Christmas tree and stick figure icon
 - 38g: Santa Claus icon
- Quantity (24):** A small box containing the number "12" with the label "Qty." below it.
- Payment Overlay (30):** A central dialog box with the text "Please enter a valid credit card number below:" and four empty input fields (56). It includes two buttons: "Finish Order" (54) and "Open Card" (32).
- Card Selection (34):** A section on the right showing a "Back of Card" (38f) and a "Front of Card" (38g).
- Bottom Bar (36):** A navigation bar at the very bottom with three elements: a left arrow (36a), a central box (36c), and a right arrow (36b).
